Please tick if you agree with the following: I am a UK tax payer paying income or capital gains tax at least equal to the amount Framework will reclaim in the tax year (currently 25%). Please note that HMRC will also be operating transitional provisions for Gift Aid donations made from 6 April 2008 until 5 April 2011, paying a Government supplement of 3p on every pound you give. This means that currently under Gift Aid, for every £1 given Framework will receive an extra 28p. I want Framework to treat this and any further donations I make as Gift Aid.
